Heating & Serving Instructions

※Please remove the aluminum foil before microwaving.

1. Ramen with soup

1. Warm the noodles in a 600-watt microwave for about 1 minute.
2. Heat the soup in a 600-watt microwave for about 2 minutes. If using a pan, heat gently and do not boil.
3. Pour the soup over the noodles and gently loosen them.

4. Voilà! Your Ramen is ready!

2. Soup less Ramen

1. Warm the noodles in a 600-watt microwave for about 1 minute.
2. Gently loosen the noodles and mix well.
3. Make sure the sauce is evenly distributed.
4. Enjoy while hot!

3. Warm side dishes

With microwave

1. Place the side dish on a microwave-safe plate or in the container provided.

The container provided is microwave-safe.

2. Heat in a 600-watt microwave for about 1½ minutes.

3. Let it rest briefly to distribute the heat evenly.

4. Enjoy while hot!

☞ For bento, rice bowls, and bao, we recommend reheating in the microwave.

With oven

1. Preheat the oven to 180°C (356°F).

2. Place the side dish on an oven-safe tray.

The container provided is not oven-safe.

3. Heat for about 5–7 minutes, until warmed through.

4. Enjoy while hot!

☞ For fried items, we recommend reheating in the oven.
